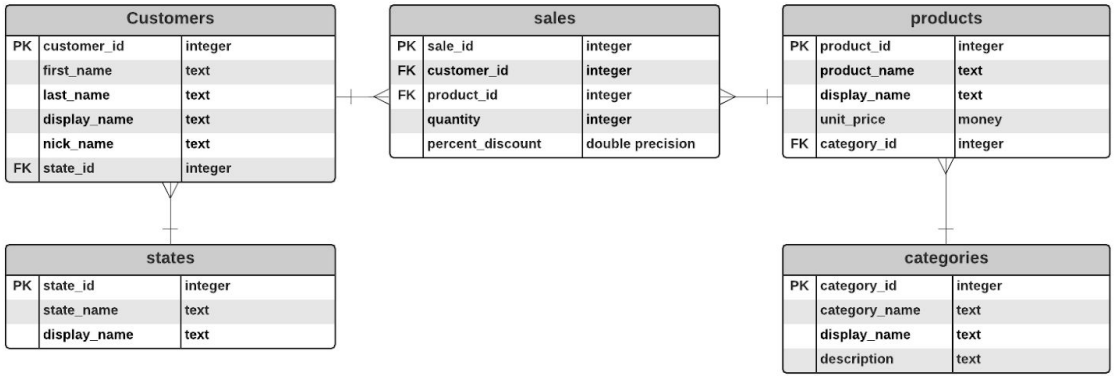
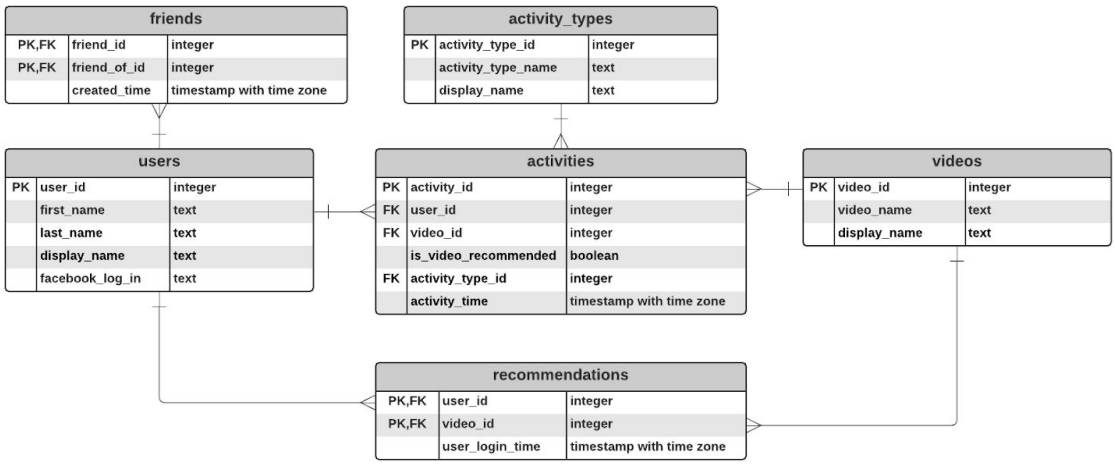
MAS DSE 201 Homework

Sales Cube Milestone 1



201Cats Milestone 1



The activity_types table will include users activity types such as “like”, “watch”, and “login”. The activities table will serve as a logs table to track users’ activities such as “like”, “watch”, and “login”. The activities.activity_time attribute will serve as “liked_time”, “watched_time”, and “login_time” depending on the activity_types.
